There is no such thing as coincidence, there is only the inevitable...

Watanuki has been haunted by dark spirits his entire life... a curse flowing through his bloodline preventing peace. When his incessant demons drag him to the ornate door of the Dimensional Witch Yuko, he meets a mystical woman of insight and luxury, quick to help those in a bind... for a fee! One might very well end up paying with their soul! To be free of his visions, Watanuki will work in her shop of dreams and wishes. There is always a price to pay...
