

Cooperative Learning Activities for Elementary Schools

Presented by
Amy Rundquist Stewart Elementary, Salina

and Barbara Karlin, Heusner Elementary, Salina

This presentation is not intended to teach the Kagan cooperative learning structures as we are not Kagan trainers (we have been trained but are not trainers). We will be giving ideas of how we incorporate Kagan structures in our library lessons. If you need training, check the Kagan website-
www.kaganonline.com.
