To the KLA Council

By Royce Kitts, Chair  
July 28, 2006

A summary of the KLA Interlibrary Loan Roundtable activities include the following:

1. The new officers for KILR for 2006-2007 are as follows:  
Royce Kitts, Chair  
Sheila Orth, Vice Chair/Chair-Elect  
Diana Weaver, Secretary
2. KILR would like to thank the outgoing Chair, Cecilia Huddleston, for her work for the roundtable this past year.
3. KILR sponsored a Question and Answer meeting at the Annual meeting in South Hutchinson. This allowed time for KILR members to voice opinions on a variety of topics in relation to interlibrary loan.
4. KILR sponsored a workshop at Tri-Conference 2005 in Wichita. Trish Palluck, Library Resource Sharing Specialist from the Wyoming State Library, gave a lecture on the statewide unmediated interlibrary loan program in Wyoming. She discussed many of the issues that came up during the implementation process. This was followed by a presentation from Eric Hansen, State Library and Mary Markwalter, Coffey County Library Administrator. They jointly spoke about their efforts to create an unmediated ILL system in a public library. KILR would like to thank the State Library for their help in funding this workshop, and a special thanks to the KILR members who assisted Ms. Palluck during her stay in Kansas.
5. KILR is in the process of developing programs for the Annual ILL meeting in the fall, and for Tri-Conference 2007 in the spring.
