

## SURVEY FOR COMICS, MANGA AND GRAPHIC NOVEL READERS

What is your age?

Are you male or female?

Do you like to read comics or graphic novels (like *X-Men*, *Ranma 1/2*, *Garfield*, etc.)?

If yes, please continue. Feel free to answer all the questions or just a few of them.

For how long have you been reading comics or graphic novels?

What are your favorite comics or graphic novels?

What do you like about these books -- the characters? The drawings? The storyline?...

Is there anything you do not like about any of the comics or graphic novels you have read?

What other comics or graphic novels do you wish the library had?

Do you think the graphic novels in the library are easy to find? If not, what suggestions do you have to make it easier?

Do you buy comics, manga or graphic novels? If so, where do you get them?

Do you like to watch movies about superheroes or comic book characters? Do you like to watch anime movies? If so, what are your favorites?

Please return this survey to a GRAPHIC NOVELS SURVEY box or to a librarian. Thank you for your time!
